

Fight Voter Suppression Empower Voters of Color

Tuesday, February 4th, 6:00 - 8:00 PM
Berkeley City College Auditorium
2150 Center Street, Berkeley
East Bay teachers and students admitted free

Why do we partner with **Reclaim Our Vote**?

It's simple -- with our help, communities of color can swing elections in 2020!

- Hundreds of thousands of voters of color have been purged from voter rolls, de-registered, and disenfranchised by gerrymandering and voter suppression tactics.
- **Reclaim Our Vote** has a brilliant strategy for *directly engaging eligible voters of color* in swing states with long histories of voter suppression and with communities overlooked by conventional campaigns.
- They've built powerful partnerships to leverage emerging opportunities and maximize outcomes -- **NAACP, Black Voters Matter, VoteRider, DemLabs, Mi Familia Vota** and others.
- They understand the importance of building a lasting base *within* communities of color.
- They know how to engage us (here in the blue Bay Area) in high quality, high impact "export" work -- canvassing, phone banking, texting, post carding and more. They are volunteer-driven and nonpartisan.

Speaker

Andrea Miller is the founder of the **Center for Common Ground** and leads its **Reclaim Our Vote campaign**. Hear about Reclaim Our Vote's 2019 successes in Virginia and North Carolina, and the plan for 2020 in key swing states, including Texas, North Carolina, Alabama, Arizona, and others.

The strategy is proven effective and scalable.
